

Artificer Initiate

You've learned some of an artificer's inventiveness:

You learn one cantrip of your choice from the **Artificer** spell list, and you learn one 1st-level spell of your choice from that list. Intelligence is your spellcasting ability for these spells.

- You can cast this feat's 1st-level spell without a spell slot, and you must finish a long rest before you can cast it in this way again. You can also cast the spell using any spell slots you have.
- You gain proficiency with one type of artisan's tools of your choice, and you can use that type of tool as a spellcasting focus for any spell you cast that uses Intelligence as its spellcasting ability.
