

## Svirfneblin Magic

You have inherited the innate spellcasting ability of your ancestors. This ability allows you to cast ***Nondetection*** on yourself at will, without needing a material component.

- You can also cast each of the following spells once with this ability: ***Blindness/Deafness***, ***Blur***, and ***Disguise Self***. You regain the ability to cast these spells when you finish a long rest. Intelligence is your spellcasting ability for these spells
