*His rule was considered a golden age for Rohan. The Wildmen of Dunland were driven back over the Gap of Rohan, and the numbers of the Rohirrim increased. Under his rule, Dunharrow was established as a refuge and the valleys of Rohan were colonized.*

*Aldor had four children: three daughters and one son. His rule for seventy-five years made him known as "Aldor the Old". In TA 2645, he died, at the age of 101. His son Fréa succeeded him as King.*
