*Aranarth was born in TA 1938 to Arvedui and Fíriel. In his youth, the Witch-king of Angmar was at the height of his power and destroyed the Northern Kingdom, overrunning its capital city Fornost.*

*Most of the surviving people, including Aranarth, fled to Lindon, but King Arvedui went north to the Icebay of Forochel.*

*Aranarth urged Círdan to send ships to rescue Arvedui, but the ship never returned.*

*It was later learned that the ship had sunk with Arvedui on board as well as the palantíri of the north.*
